

FRONTIER CENTRAL SCHOOL DISTRICT
STUDENT TRANSPORTATION SERVICES
PARENT PERMISSION SLIP
(BOARD POLICY 5610.1)

Dear Frontier School Parents,

Frontier School provides transportation services for students who participate in school sponsored co-curricular activities. This would include transportation to and from the event. From time to time situations arise when a parent is compelled to transport their child in their personal vehicle to or from an event. The school district is required to maintain a record (parent/guardian permission slip) documenting when this occurs.

Below please find a copy of the parent/guardian permission slip which we ask that you complete when the need arises for you to assume the responsibility to transport your child to or from an event. Please complete this form and provide it to your son/daughter's faculty advisor/coach.

Thank you in advance for your understanding and cooperation in this matter.
